

Making Giving Easy

Before we take up our offering I want to do a short survey. Right now I would like to see a show of hands of everyone that has a checkbook with them right now. Wow! I bet if I would have asked that question twenty years ago we would have had more hands raised.

Ok, let me ask you how many of you have a smartphone on your person right now? Hold it up. Look around. Did you know that studies show Americans are never more than three feet from our smartphones at any one time?

Let me ask another question, how many of you have bought something using your smartphone, either coffee at Starbucks or some other purchase? Again do you think that many would have raised their hands just a few years ago?

One last question. How many of you pay at least one bill automatically every month online? That is interesting isn't it? We use our smartphones and online bill pay because it is easy and frankly that is how we do commerce today.

Did you know you can give right now to OUR CHURCH online? In your bulletin you will find a QR code that you can scan that will take you to our online page where you can give your gift. You can also text give by using this number, XXX-XXX-XXXX.

At OUR CHURCH we want to make it easy for you to give and in fact there are X number of ways you can give! When you give your gift helps support all the missions and ministries we do here at OUR CHURCH. By the way for all of you who have bill pay, did you know you can set up your giving to be automatic here at OUR CHURCH? You can. Just go to www.OURCHURCH.ORG/GIVE and you will find instructions on how to give.

We don't care how you give we just want you to give and our goal is to make it easy for you to give.
